CSP Committees

Summer is a great time for the Community Service Program Committees to meet and plan what they might want to lead the club in doing for the 2017-18 year. The Art Committee met after the last Board meeting. President Ruby Haskins said the CSP Committees will basically stay the same, just adding in the new members.

Chairs Shirley Colpitts, Stephanie Taylor, Annie Bennett, Alma Davis and Lenore Veasey, please contact your committees, get together and make plans. The August board meeting will be here before we know it.
